RE: Resolution for DCNR Grant for South Bethlehem Greenway Plazas

Attached is a resolution in support of our grant application to the Department of Conservation and Natural Resources (DCNR) for the extension of the South Bethlehem Greenway for the development of two separate plaza areas. We are requesting a grant in the amount of \$375,000 for construction of the two plazas. One is located on the Greenway between Adams and Webster Streets. The other is located at the Greenway at Hayes and Founder's Way.

Please place this resolution on the April 7 City Council agenda for review and consideration. DCNR requires that two original copies of the attached resolution be signed in blue ink and returned with the application.
