

Youth Sports Information

The City of Bethlehem has a rich sports history and serves thousands of city youth every year. Through the various Little Leagues, football organization, and soccer clubs, the City of Bethlehem has a sport to fit your needs. Each youth organization is managed independently from the City of Bethlehem but most operate out of our city parks system. Youth athletics are an integral part in child development and help build character later in life. On this page you will find a majority of the sports being offered within the City of Bethlehem.
