

Mission

Our mission is to establish a world-class Skateplaza in Bethlehem, Pa. that is unrivaled in its progressive design and immense size. The Skateplaza addresses the needs of the community and the desires of action sports' enthusiasts to exercise in a safe, secure environment. Benefits include strengthening community partnerships, providing positive youth development and contributing to the health and physical well-being of our city in a multi-use, park-like setting.

The Plaza

The Bethlehem Skateplaza is part of the South Bethlehem Greenway at 1325 Steel Avenue, Bethlehem, Pa. At more than 750 feet long, the Skateplaza is a one of a kind venue capable of supporting skaters and BMXers — spanning the needs of the novice to the most advanced rider. For non-riders, the Skateplaza functions as a passive space to watch the action, gather for fellowship or simply relax outdoors.

Not just a skateplaza, but a place for the community — a venue for holding a farmer's market, small concert, art show — the possibilities are endless.

Help support the Skateplaza

You can help support Bethlehem in the building of this unique, world class Skateplaza through the "BUY A BRICK" program. The cost of your paver is a tax deductible donation. Your brick will be located on a special plaza at the main entrance to the Skateplaza.

Other sponsorships are available. Please contact the Parks & Public Property office at 610-865-7081 for more information.
