

Be a part of something groundbreaking!

Located in the beautiful and historical Southside of Bethlehem, Pa., the Bethlehem Skateplaza is rumored to be **"The new standard for Skateplazas."** At more than 750 feet long, it will be a one of a kind venue capable of supporting skaters and BMXers – spanning the needs of the novice to the most advanced rider. For non-riders, it will function as a passive space to watch the action, gather for fellowship or simply relax outdoors.

Over the years, skateboarders, BMXers, community leaders and parents have recognized the need to provide a safe place for the rising number of action sports' enthusiasts in the City of Bethlehem, Pa. The Skateplaza addresses this need by replicating obstacles typically found in the streetscape that skaters and BMX riders are drawn to, such as handrails, benches, staircases and sculptures.

"It is important for the City to provide a safe and legal place for kids who skate and BMX. It has been a long time in the making, but I am confident the Bethlehem Skateplaza will be world class and worth the wait!"

**Mayor John Callahan
City of Bethlehem**

You can help!

Sponsorship and volunteer opportunities are available. See reverse side for details.

The **Bethlehem Skateplaza** will be a national destination for action sports enthusiasts. If you or your company is interested in helping, please return this form to the City of Bethlehem Parks and Recreation Department. Donations, both monetary and/or materials, given toward the Bethlehem Skateplaza will go toward the completion of a World-Class multi-use Skateplaza. Donations are Tax Deductible. Every level would include a paver to be placed in the entranceway of the Skateplaza.
