MESSAGE from the MAYOR

As winter sets in our local businesses need us now more than ever. From the services and products they provide, to the residents they employ, Bethlehem's merchants and restaurateurs are an invaluable lifeline in our community. During these challenging times it is comforting to know we can still enjoy restaurants from all over the city and shop from our unique merchants online while in the safety of our homes. Whether it's curbside delivery or pickup, now is the perfect time to discover all that Bethlehem has to offer in a safe, responsible and socially distanced way.

*Thank you,
Mayor Bob Donchez*
