

CITY OF BETHLEHEM
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: Fire Pump Station Rehabilitation

TO: City Council, all members, and Council Solicitor

FROM: Edward J. Boscola, PE, Director of Water and Sewer Resources

DATE: March 26, 2019

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

_____ The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

_____ The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

The contract is for the engagement of professional services. We have received and reviewed four (4) proposals for professional services in connection with above referenced project. We recommend award of the contract to Maser Consulting, P.A.

- Is the contract appropriation or price increase included in this year's budget? yes no

2019 Water Capital budget

- Identify contract funding sources (general fund, grants, loans, etc.....):

Account #007A-77023

- The name and address of the recommended Professional Service Provider are:

Maser Consulting, P.A.
941 Marcon Blvd Suite 801
Allentown, PA 18109

- Term of contract or estimated completion date, subject to standard extensions:

The contract shall run for a period of 12 months from the Notice to Proceed.

- Description of project or scope of services to be provided:

Engineering services for the rehabilitation of one of the city's pumping stations located near the Southside mountain top campus. Scope of services broken down into two phases: Phase 1 Design and Permitting – engineering design, submission of regulatory permits, preparation of bid documents; Phase 2 Bid & Construction – bidding and construction phase services.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$89,800

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$89,800

- Reasons for recommendation of Administration and Council approval of contract:

Maser prepared a proposal with a well-defined scope and they have staff with extensive experience in similar projects. Maser has also worked on prior City projects of similar nature. Interviews were conducted with two of the firms and it was determined that Maser was the best qualified and had the lowest cost to the city.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
