

CITY OF BETHLEHEM
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: Water Filtration Plant Emergency Generator Replacement – Design Services

TO: City Council, all members, and Council Solicitor

FROM: Edward J. Boscola, PE, Director of Water and Sewer Resources

DATE: May 28, 2019

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

_____ The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

_____ The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

✓ The contract is for the engagement of professional services. We have received and reviewed six (6) proposals for professional services in connection with above referenced project. We recommend award of the contract to Instrumentation, Control & Energy Engineering, LLC.

- Is the contract appropriation or price increase included in this year's budget? ✓ yes ___no

2019 Water Capital budget

- Identify contract funding sources (general fund, grants, loans, etc.....):

Account #007A-77056

- The name and address of the recommended Professional Service Provider are:

Instrumentation, Control & Energy Engineering, LLC
P.O. Box 551
Skippack, PA 19474

- Term of contract or estimated completion date, subject to standard extensions:

The contract shall run for a period of 18 months from the Notice to Proceed.

- Description of project or scope of services to be provided:

Consultant shall provide engineering services for the replacement of the emergency generator at the water filtration plant. The project will be completed in two phases: Phase 1 – Design and Permitting; Phase 2 – Bidding & Construction Services. Phase 1 includes design effort for replacement of the emergency generator and ancillary equipment. Deliverables include regulatory agency permits and bid documents (plans and specifications). Work during Phase 2 will include public bidding and construction phase services.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$42,852.50

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$42,852.50

- Reasons for recommendation of Administration and Council approval of contract:

Six (6) proposals were received from competent engineering firms. IC&EE's proposal had a well-defined scope, low fee, and they have staff with extensive experience in similar projects. IC&EE has also worked on prior City projects of similar nature.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
