## CITY OF BETHLEHEM

## INTER DEPARTMENTAL CORRESPONDENCE

## MEMORANDUM

TO: Robert Donchez - Mayor<br>Louise Kelchner - City Clerk<br>Members of City Council<br>FROM: George Yasso<br>City Controller<br>SUBJECT: Quarterly Report - Controller (January-March 2017)<br>DATE: April 28, 2017

I am submitting for your review, a summary of the financial expenditures and contractual commitments made by the City of Bethlehem in the first quarter of 2017.

Attachment \#1 provides for the cash expended and is broken down by the following categories:

- Checks Dispersed
- P-Card(s)
- General/Payroll Accounts (approximate)
- Other Checking Accounts

Total Cash Outlay was $\$ 21,669,162$ with $\$ 10,969,852$ going towards the total city payroll.
In addition to the financial information highlighting the cash that was paid out in the first quarter, there were approximately $\underline{632}$ Purchase Orders processed and $\underline{1036}$ general account checks sent out.

Attachment \#2 provides the quarterly statistics on individual Purchase Orders issued, Blanket Purchase Orders, Contract Purchase Orders, and Confirming Purchase Order statistics. We are in a period of transition where Purchase Orders are also included for new/amended contracts. Starting this year, many of the blanket Purchase Orders from various departments are now being consolidated under one blanket. Therefore, the number of Purchase Orders by department may not be relevant as far as the information presented in Attachment \#2, so it has been reformatted. Also, the information for non-general funds is included for consistency with Attachment \#1.

We continue to attend Bethlehem Authority meetings, as well as the majority of City Council and Council Committee meetings as appropriate. The Controller's office is also involved in the continuing CI Purchasing Committee Meetings and Safety Committee Meetings.

The Controller's office has a rotating seat on the Pension Board which meets the first Friday of every month. All board meetings to date have been attended. The Controller's office continues to discuss contracts and purchase orders of concern with the Solicitor's office and Administration.
