Jing Lu,

I spoke with Tom. This property is still being used in violation of the zoning ordinance. You can only use this residence as a Single Family Home. Please contact me when you are ready for inspection that indicates there is one single family living here. **I will provide one additional (and last) extension through March 31, 2023.** At that time, if the violation is not corrected and inspection has not been completed by myself, such violation will be submitted to the magistrate.
