### IMPORTANT:

**ALL ELECTRICAL WORK IS REQUIRED TO BE PERFORMED BY A LICENSED ELECTRICIAN** with the exception of a single-family, owner occupied home (does not include swimming pool), in which case the owner may perform the work, with the condition that the said owner personally purchase all material and perform all labor in connection therewith, and the property owner must sign the application in place of the electrician's signature.

**The Electrical Contractor must submit a current Certificate of Insurance showing proof of Workers' Compensation, proof of a valid Electrician License, and a City of Bethlehem Business License, with this application, if not already on file in the Bureau of Code Enforcement.**
