#### 901.01 GENERAL PLAN OF STREETS; ACCEPTANCE OF MAP.

Council hereby ordains that the action of the City Engineer in marking the lines of all the streets and highways of the City already opened or intended to be opened for public use, on a map dated January 1, 1968, is ratified, confirmed and approved, and such Map of the City Engineer is and the same hereby is accepted and adopted as the General Plan of Streets of the City. (Ord. 2102 §1. Passed 9/3/68.)

## 901.02 DUTY OF ENGINEER.

The City Engineer shall make, or cause to be made, a draft or plan of such streets, with every provision and explanation necessary for a full understanding of the same, distinctly designating where new streets and highways are hereafter to be opened. He shall return the same to Council for filing in the office of the City Clerk where the same shall be open to inspection by those interested. (Ord. 1682 §2. Passed 1/17/61.)
