MONITOR RECORDINGS

Two reasons to monitor recordings:

- 1. To ensure when you do purchase a property, take out a mortgage, or satisfy a mortgage, those documents are recorded in your name so that you are the legal and rightful owner on record*
- 2. To ensure that no fraudulent document has been filed taking out a mortgage or taking possession of property without knowledge or consent*

HOW DOES IT WORK?

Receive alerts when a document is recorded involving your property

Notification can be a text or email and will state:

- Parcel Number*
- Instrument Number*
- Document Type*
- Date Recorded*
