

## ADDENDUM TO CITY OF BETHLEHEM - STEEL CITY GUN CLUB LEASE

WHEREAS, the City of Bethlehem, a municipal corporation located in the County of Northampton, Commonwealth of Pennsylvania, (hereinafter referred to as "Bethlehem") did on the 21st day of October, 1991, execute a Lease (hereinafter referred to as the "Lease") in Bethlehem's capacity as landowner of certain real property described in the Lease; and

WHEREAS, the Steel City Gun Club, a Pennsylvania Corporation maintaining its principal address at Post Office Box 325, Bethlehem, PA 18016, (hereinafter referred to as the Club") did on the 21st day of October, 1991, execute the Lease in its capacity as a tenant; and

WHEREAS, a copy of the Lease is appended as an exhibit to the present Addendum, which Addendum, (hereinafter referred to as the "Addendum") is dated the \_\_\_\_\_ day of November, 2014; and

WHEREAS, Bethlehem and Club have executed this Addendum in a mutual endeavor to update and where applicable amend the terms of the Lease,

NOW, therefore, Bethlehem and Club, intending to be bound hereby, have, in consideration of the mutual promises contained herein, agreed to the following terms:

1. The terms of the Lease remain intact and controlling, except where the terms of the Addendum have altered the terms of the Lease.
2. The Club acknowledges that the Bethlehem Police Department (hereinafter referred to as the "Police") and the invitees of the Police maintain a priority of use of the leasehold premises, since the Police are required by law to engage in periodic proficiency of weapons use and Police also host and conduct other training events periodically throughout the year. As a result, the Club agrees that the Club's membership shall honor and abide by any communication issued by the City or the Police that mandates when the Police or their invitees will require sole uninterrupted use of the leasehold premises.
3. Communication of the dates and times when the Police will require uninterrupted use of the leasehold premises shall occur by the transmission of an e-mail message, directed to the attention of the Club President. The e-mail address to be utilized by the Police when communicating with the Club President shall be [colegjc@aol.com](mailto:colegjc@aol.com), or any other alternate e-mail address that the Club may designate in the future.

- (a) If the City and/or Police are aware on an annual basis of specific dates during which the Police will require uninterrupted and sole use of the leasehold premises, it is agreed that prior to February 1 of each calendar year the Police shall e-mail to the Club president notice of those specific dates applicable to the calendar year when the leasehold premises will be closed to the Club membership. The Club will then maintain the responsibility to transmit advance notice of such dates on an annual basis to the Club membership.
  - (b) If the Police require sole and uninterrupted use of the leasehold premises and are unaware of specific dates on an annual basis, and in cases where a change needs to be made to a previously submitted schedule, it is agreed that when dates to be dedicated to the sole use of the Police become known to the Police, notice thereof shall be e-mailed to the Club president as quickly as the Police become aware of such dates, so that notice thereof may then be transmitted by the Club to the Club membership in as expeditious a manner as possible. If possible, such notice by the Police of dates and times may occur at least two calendar weeks prior to the scheduled sole and uninterrupted use envisioned by the Police.
4. Upon receipt by the Club President of e-mail communications as outlined in paragraph 3 above, the Club President will, within the period of one calendar week, acknowledge receipt of the e-mail communication by sending an e-mail communication in response to the Police at e-mail address [policeprofessionalstandards@bethlehem-pa.gov](mailto:policeprofessionalstandards@bethlehem-pa.gov) or any other alternate e-mail address that Bethlehem or the Police may designate in the future.
5. It shall then be the sole responsibility of the Club to transmit to its Club membership notice of the contents of the communication received from the Police. Transmission by the Club to its membership shall occur in a timely manner prior to the date or dates designated for the uninterrupted use of the leasehold premises by the Police.
6. During those times when the leasehold premises are to be utilized solely by the Police and their invitees, the Police shall post a notice at the leasehold access gate reflecting access by Club membership is temporarily precluded. In addition, during times when the leasehold premises are to be utilized by Police and their invitees for multiple days at a time, Police shall secure the front entry gate with a locking device at the end of the day's activities to protect and secure Police equipment and supplies.
7. Separate shooting ranges exist for use by the Police and for use by the Club membership. Should the Police not require sole and uninterrupted use of the

leasehold premises i.e. the Police determine that utilization by the Police of the range facilities designated for Police use constitutes the only facilities required by the Police for their training, Club members will be permitted access to the range facilities dedicated for use by the Club membership. Nonetheless, the Club acknowledges that at no time may members of the Club utilize the range facilities designated solely for Police use, despite the fact that the Police may use the range facilities designated primarily for Club membership use.

8. The Police and/or City alone shall determine the permitted hours and days when temporary access by the Club membership to the leasehold premises shall be precluded. Days of closure applicable to the Club membership may include certain recognized holidays and those days designated as the Pennsylvania firearms hunting season. Nonetheless, nothing herein shall preclude the Club membership from utilizing the leasehold premises during the seven days of any and all calendar weeks, as long as the Police are not utilizing the premises as set forth in Paragraph 4 of the Lease and as long as the Police and/or City have not precluded access as provided for in this section.
9. During the term of the Lease, the Club shall at the cost of the Club maintain general liability insurance coverage in the minimum sum of one million dollars, and the City of Bethlehem shall be named as an additional insured. Said insurance coverage shall require thirty (30) days written notice to City before the policy can be altered or cancelled. The Club shall annually remit proof of such coverage to Bethlehem (to the attention of its Solicitor's Office).
10. The term of the present Lease shall commence January 1, 2015, and continue for a period of five (5) years, concluding on December 31, 2020. It is the intention of Bethlehem and the Club that if no material breach of the terms of the Lease and/or Addendum occurs, the Lease and Addendum will thereafter be renewed on a year to year basis upon the same or similar terms as reflected herein.
11. Paragraph 18 of the Lease is hereby amended as follows: Unless otherwise directed herein, whenever it is provided herein that notice, demand, request, or other communication be given, such notice, demand, request, or other communication shall be given in writing and shall be served by mailing such notice to Lessee at:
