

**CITY OF BETHLEHEM**  
**INTER-DEPARTMENTAL CORRESPONDENCE**

**SUBJECT:** Request for Approval by City Council of Contract Award Pursuant to City Ordinance, Article 121.05 (a)

Project Reference: Electrical Construction Contract – South Side Pump Station Renovation

**TO:** City Council, all members, and Council Solicitor

**FROM:** Edward J. Boscola, PE, Director of Water and Sewer Resources

**DATE:** May 25, 2017

---

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award.

- Check Type of Contract or Change:

     The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the Electrical Construction contract to Wind Gap Electric for the reasons stated below.

           The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

           The contract is for the engagement of professional services. We have received and reviewed proposals for professional services in connection with above referenced project.

- Is the contract appropriation or price increase included in this year's budget?     yes   no

2017 Water Capital Budget

- Identify contract funding sources (general fund, grants, loans, etc.....):

Account #007A-77009

- The name and address of the recommended Professional Service Provider are:

Wind Gap Electric, Inc.  
125 West Seventh St  
Wind Gap, PA 18091

- Term of contract or estimated completion date, subject to standard extensions:

The contract shall run for 300 calendar days from the Notice to Proceed.

- Description of project or scope of services to be provided:

The project includes work associated with the following tasks:

- Installation of new generator.
  - MCC Upgrade work associated with new pumps.
  - Demolish existing unit heaters, flow/pressure transmitters, fan, lighting and power for chlorine addition being demolished by GC.
  - SCADA antenna removal and reinstallation.
  - Installation of new electric unit heaters and disconnects, lighting, SCADA equipment.
  - Miscellaneous components necessary to complete the project.
  - Testing and startup of new system.
- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$251,700.00

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

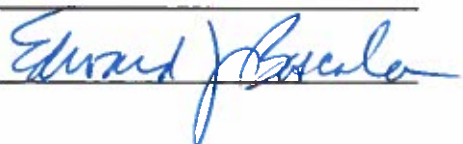

\$251,700.00

- Reasons for recommendation of Administration and Council approval of contract:

Four (4) bids were received from contractors. The lowest base bid was from Wind Gap Electric, Inc. References were checked and Wind Gap Electric was found to be a responsible bidder at their base bid of \$251,700.00.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
