Re: New Bethany signage

To whom it may concern:

Thank you for reviewing this application for new signage at New Bethany Ministries.

New Bethany Ministries offers hope and support to people who cope with extreme poverty, hunger, and homelessness. We believe that all people, regardless of circumstances, should be treated with dignity and care without judgment. No one who seeks help is turned away.

The organization will reveal our new logo at our annual (virtual this year) Souper Day luncheon. Following that, we will be placing the enclosed signage plan on our property, per your approval.

Our new logo is confidential. In fact, this is the first letter printed on our new letterhead! After our event on October 13, 2020, we will begin to use our new materials for our community and the public.

If you have any questions, do not hesitate to contact me at the New Bethany Ministries office.

Very kind regards,

A handwritten signature in blue ink, appearing to read "JMR", with a long horizontal flourish extending to the right.
