- C. Notwithstanding the preceding limitation on the use of the premises, the Public Works Director, may, at the City’s sole discretion, authorize the Lessee to sell Appalachian Mountain Club related items and environmental education and conservation based items, provided that all funds generated by the Lessee from such activities shall be allocated exclusively to uses consistent with Internal Revenue Service regulations and in a manner that will not jeopardize or cause termination of Lessee’s tax exempt status or that of the Bethlehem Authority under the Internal Revenue Code and such exemption pertaining to

real estate taxation. All such authorizations must be in writing from the Public Works Director. Such authorization is contingent on Lessee obtaining all licenses, clearances and permissions required by statute, regulations or ordinance.

- D. Smoking is banned on the premises. It is a smoke free environment. Lessee shall maintain and enforce “no smoking” in the interior of buildings; and post “No Smoking” signs in conspicuous locations and as ordered by the Fire Chief under International Fire Code Section 310.3. The City shall ensure that devices for safe disposal of smoking materials are properly maintained.
- E. Lessee shall not use or permit a third party’s use of the premises for a purpose or benefit that jeopardizes or causes termination of Lessee’s tax exempt status or that of the Bethlehem Authority by violation of Pennsylvania, Federal and IRS statutes and regulations governing tax exempt organizations. Lessee shall comply with requests by the City or the Authority for financial records, income statements, balance sheets, auditor’s reports and tax returns allowing for review and assurance of compliance with said statutes and regulations. If all or any portion of the Illick’s Mill property loses its real estate tax exemption as a result of Lessee’s operations and use of the property, Lessee shall pay, hold harmless and indemnify the Bethlehem Authority and City for all such taxes that are payable.

- F. At hosted or licensed events, and at any informal or casual gathering or meeting at the Mill, whenever alcohol is made available, alcohol service and consumption shall be confined to the interior of the Mill; no exceptions, no alcohol permitted outside. 6. MAINTENANCE AND REPAIRS

- A. Lessee shall, during the term of this Lease and any extension thereof, at Lessee's sole expense, keep the Leased Premises clean and free of accumulated trash and in as good order and repair as it is at the time of the commencement of this Lease, reasonable wear and tear excepted. This obligation covers everything except the obligations assumed by the City under paragraph B.
- B. The City agrees to perform and pay for the maintenance of the Mill building,

both inside and outside, including keeping non-leased premises clean and free of accumulated trash and in as good order and repair as it is at the time of commencement of this lease. This maintenance obligation includes repair, replacement and preventive maintenance of structural and non-structural components; of mechanical, electrical, heating, central cooling, hot water and plumbing equipment and systems; of elevator; fire detection and suppression systems; of fixtures, historical and decorative features and finishes; of roof, floors, walls, ceilings, and other parts of the leased premises damaged or worn through normal occupancy; and of structures attached to the Mill such as staircases, railings and sidewalks. - C. City shall perform at its expense snow and ice removal for exterior walkways and stairs; grass cutting and turf maintenance.
- D. Lessee acknowledges the serious risk to the historic Mill and occupants from fire. Therefore, Lessee agrees that fire safety and prevention shall always be a paramount concern in Lessee's maintenance, repairs, occupancy and use of the premises. Lessee shall comply with City ordinance and adopted Building and International Fire Code requirements, and directives by the Fire Chief, on fire safety and prevention measures, and maximum occupancy limits. City will maintain the required number and placement of emergency lighting devices, the number, location and timely replacement of fire extinguishers within the full Illick's Mill building. Lessee will notify the City of any

lighting devices that are in need of repair with the leased space. The Bethlehem Fire Inspection Department will perform yearly inspections to assure compliance. Non-compliance with City ordinance and Code requirements and directives by the Fire Chief on fire safety and prevention measures shall be an event of default under this Lease, if deemed that the Lessee has violated its obligations herein.

- E. Portable generators, kerosene heaters, heating devices and fuel are prohibited for inside use and storage.
- F. Lessee shall keep the leased premises clean and free of accumulated trash. Lessee shall make every effort to reduce its solid waste stream through recycling practices.
- G. Lessee shall not make changes or improvements to grounds in Monocracy Park without prior written authorization by the Director of Public Works.
- H. At the expiration of the term of this Lease and any extension thereof, Lessee shall surrender the Leased Premises in as good condition as it was at the commencement hereof, reasonable use and wear and damages by the elements excepted.
- I. Lessee's obligations under this Article constitute part of its rent obligations under this Lease.

7. UTILITIES

Lessee shall pay for any and all telephone, television, internet and satellite signals and service it uses. Lessee will contract with these providers directly. City shall

pay utility service and commodity expense for water, sewer, electricity, gas, heating oil. Lessee will conduct internal energy-use audits, and employ green practices, to reduce its energy consumption.

8. LESSOR'S RIGHT OF ENTRY

- A. City retains the right to inspect the lease premises upon 24 hour notice to Lessee's local manager; and in the event of emergency without advance notice to Lessee.
- B. City retains the right to enter the leased premises upon 24 hour notice to Lessee's branch office manager and, in the event of emergency without advance notice to Lessee or the Lessee's branch office manager, to repair exterior water, sewer and utility lines and appurtenances and to restore disturbed grounds.

9. DEFAULT

- A. It shall be an event of default allowing City to terminate the Lease:
 - (1) if Lessee does not pay in full when any rent is due; or
 - (2) if Lessee fails to observe a prohibition and fails to perform or otherwise breaches any other obligation of performance or payment under this lease; or
 - (3) if Lessee abandons the leased premises, which shall be conclusively presumed if the premises remains unoccupied for more than 60 consecutive days; or

- (4) if Lessee becomes insolvent or bankrupt in any sense or makes a general assignment or sale for the benefit of creditors or offers a settlement to creditors, or if a petition in bankruptcy or for reorganization or for an arrangement with creditors under any federal or state law is filed by or against Lessee or a bill in equity or other proceeding for the appointment of a receiver for any of Lessee's assets is commenced, or if the property of Lessee shall be levied upon at the leased premises; or
- (5) if Lessee, as a privately owned business entity, or its owners transfer either a controlling or a majority ownership interest in the organization; or
- (6) if Lessee suffers revocation of its tax exempt status if it is a non-profit or charitable tax exempt entity; or
- (7) if in kind services required in this Lease subject to the limitations to Lessee's obligations as provided in 4.F. are not fulfilled or maintained; or
- (8) if Lessee's operations cause revocation of the tax exempt status of the property or the Bethlehem Authority; or
- (9) if Lessee is not in compliance with the insurance obligations under this Lease required to protect the City and the Bethlehem Authority.

B. City shall have the right to notify Lessee in writing of default and an intention to terminate the Lease. Upon notification of default and intent, the Lease shall be terminable by City within thirty days thereof. Late penalties for any unpaid

rent shall continue through the date of Lessee's vacancy of the premises. Upon notification of default and intent, City may accelerate the whole or any part of the rent for the balance of the term, and declare the same to be immediately due and payable. After termination, unpaid penalty and rent shall accrue fifteen (15%) per cent annual interest on the balance chargeable to Lessee. The exercise or non-exercise of remedies hereunder, in whole or in part (as an example, delayed enforcement in an attempt to resolve a dispute amicably), shall not be construed as a waiver and shall not impose an estoppel upon City's discretion to act as it deems appropriate within the terms of this Article.

- C. Limited Grace Period. If the default consists of something other than the failure to pay money which cannot reasonably be cured within 10 days, City will not exercise any right if the Lessee begins to cure the default within the 10 days and continues actively and diligently in good faith to completely cure said default as determined by City in its judgment. The allowance of an opportunity to cure a default, in whole or in part (as an example, delayed enforcement in an attempt to resolve a dispute amicably), shall not be construed as a waiver and shall not impose an estoppel upon City's discretion to act as it deems appropriate, including termination of the Lease under paragraph B. preceding.

10. COMPLIANCE WITH LAWS

- A. General compliance obligations. Lessee is obligated to comply with State,

Federal and City of Bethlehem laws, ordinances and City Park Rules and Regulations in its use of the premises and conduct of public and private operations and events in furtherance of its mission statement and charitable purpose.

B. Specific compliance obligations.

(1) Lessee shall comply with all Pennsylvania laws, regulations and procedures and City ordinances, including Article 941, controlling and limiting the offering, supplying, use and sale of alcoholic beverages at and upon the leased premises whenever hosting or allowing licensee use of the premises for a private event when alcohol is served.

(2) Lessee shall comply with all Pennsylvania laws, regulations and procedures and City codes, adopted building codes and ordinances when making structural changes, repairs and improvements.

11. INSURANCE

A. To protect their respective insured interests, the City and the Authority shall keep the building containing the Leased Premises insured against liability, loss or damage by fire or other casualty for limits no less than those required of Lessee in this Lease.

B. Lessee shall bear the risk of loss by fire, theft, or other casualty of any personal property, money, inventory, furniture, equipment or other contents brought upon the leased premises.

C. Lessee shall procure and maintain a policy of tenant's liability insurance

against public liability arising from the operation of the business, products liability, liquor liability, and the condition of the leased premises and the pavements and grounds surrounding the same, with limits of not less than One Million Dollars (\$1,000,000.00) per occurrence, and Two Million Dollars (\$2,000,000.00) aggregate; and liability coverage for property rented by tenant of no less than One Million Dollars (\$1,000,000.00), to be annually adjusted at the City's demand to match the City's or Authority's insured value on the property. The City, the Bethlehem Authority, their officers, elected officials, directors and employees, shall be named as additional insureds on such policy and Lessee shall provide the City and the Authority with a certificate evidencing such insurance being in force for a yearly term. The insurance shall be renewed for every term year of the Lease and the certificate provided in the same form when renewed. Lapse or cancellation of the insurance is an event of default.

D. Lessee's obligations under this Article constitute part of its rent obligations under this Lease.

12. INDEMNIFICATION

Each party agrees that it is legally liable to, and shall, release, indemnify, defend and hold harmless the other party, their agents, employees, directors, officers, elected officials, appointed officials and board members, and insurers, from economic and financial harm, said harm including all claims, demands, civil actions, awards and judgments for damages and compensation for property

damage, repairs, replacement, personal injury, death, medical expenses, lost income and wages, consequential damages, attorney fees and litigation costs, contribution and indemnification, asserted by either party, or either's employees, officers, volunteers, contractors, invitees, permittees, licensees, trespassers and any third party, contractor, insurer, public agency or municipality, business organization or a member of the general public caused partly or entirely by or arising from: a) breach of this Lease by either party; b) negligent, reckless or intentional conduct by either party or its officers, directors, officers, employees, volunteers, guests, invitees, contractors, permittees or licensees; c) either party's possession, occupancy, licensing, permitting, use, events and operations at Illick's Mill without regard for or limitation by whether the harm is caused by negligent, reckless or intentional conduct.

13. LESSEE IMPROVEMENTS

A. Permanent building improvements and attached mechanical, plumbing, restroom fixtures, electrical, heating, lighting and air conditioning equipment and window treatments may be installed by Lessee with express permission of the City. The City in its exclusive discretion may deny permission where it deems such improvements as unnecessary or harmful to the historical structure, appearance or character of the Mill. Such improvements installed or paid for by Lessee before or during this Lease shall be deemed Bethlehem Authority owned property and may never be removed by Lessee without both the City's and the Authority's express consent. Lessee shall have no recourse

for recoupment, compensation or payment by City or the Bethlehem Authority for Lessee improvements.

- B. Any fixtures, furnishings or equipment purchased by Lessee not permanently affixed to the leased premises and utilized in connection with Lessee's business or owned by others may be removed by Lessee upon the termination of this Lease. The removal of same shall be at Lessee's sole cost and expense and Lessee shall be responsible for restoring any damage to the leased premises caused by the removal of same.

14. MECHANICS LIENS

Lessee shall pay promptly any contractors and materialmen who supply labor, work or materials to Lessee at the leased premises and shall take all steps permitted by law in order to avoid the imposition of any mechanic's lien upon all or any portion of the premises. Should any such lien or notice of lien be filed for work performed for Lessee other than by City, Lessee shall bond against or discharge the same within 5 days after Lessee has notice that the lien or claim is filed regardless of the validity of such lien or claim. Nothing in this Lease is intended to authorize Lessee to do or cause any work to be done or materials to be supplied for the account of City, all of the same to be solely for Lessee's account and at Lessee's risk and expense. Throughout this Lease the term "mechanic's lien" is used to include any lien, encumbrance or charge levied or imposed upon all or any portion of, interest in or income from the leased premises on account of any mechanic's, laborer's, materialman's or construction lien or arising out of any

debt or liability to or any claim of any contractor, mechanic, supplier, materialman or laborer and shall include any mechanic's notice of intention to file a lien given to City or Lessee, any stop order given to City or Lessee, any notice of refusal to pay naming City or Lessee and any injunctive or equitable action brought by any person claiming to be entitled to any mechanic's lien.

15. ENVIRONMENTAL HAZARDS AND CONTAMINATION

- A. City represents and warrants that there are no existing environmental hazards, waste, sewage or chemical leaks, spills, pollution or contamination or other similar conditions at the leased premises.
- B. Lessee hereby warrants that it is solely responsible for environmental hazards, waste, sewage, fuel or chemical leaks, spills, pollution or contamination or other similar conditions arising from Lessee's use and occupancy of the premises or its operations, events, maintenance, use of chemical and fueling tanks, and vehicle fueling operations. Lessee shall comply, at its sole expense, with all laws and requirements as set forth above, all manufacturers' instructions and all requirements of insurers relating to the treatment production, storage, handling, transfer, processing, transporting, use, disposal and release of hazardous substances, hazardous mixtures, chemicals, pollutants, petroleum products, toxic or radioactive matter. Lessee expressly agrees to indemnify and hold harmless the City and the Authority for any such occurrence or damage resulting in cleanup cost; repair and restoration cost; municipal, federal or judicially imposed fine, penalty or judgment; claim, suit, civil action, or legal

liability of any nature whatsoever for environmental hazard, personal injury, waste, sewage or chemical leaks, spills, pollution, contamination or other similar conditions, whether or not caused by Lessee's negligence. Lessee warrants that it will not create or maintain pollution or contamination or other similar conditions upon the leased premises and agrees to indemnify and hold harmless the City and the Authority if they are held accountable for or otherwise incurs the cost to remedy any such condition caused by the action of Lessee, its owners, officers, employees, agents or contractors. This legal obligation of Lessee includes, but is not limited to, notification and violation under Federal Environmental Protection Agency Law and Regulations, and under Pennsylvania Department of Environmental Resources Law and Regulations, and under any other Federal, State or local law, regulation or ordinance. The foregoing constitutes material terms and conditions of this lease. In the event of City's determination of Lessee's breach of these terms and conditions, the City and the Authority may invoke remedies allowable at law and throughout this lease, including declaring default.

16. ASSIGNMENT

This Lease shall not be assignable by Lessee to a third party or an acquiring or merging entity without written consent by City and the Bethlehem Authority. City shall not assign this Lease except, at its discretion, to the Bethlehem Authority, which shall be permitted.

17. TRANSFER AND ASSIGNMENT FOR BENEFIT OF CREDITORS

- A. If Lessee shall transfer its business to a new owner or owners cumulatively acquiring a controlling interest, be sold out at a Sheriff's or Constable's Sale, or make either a transfer of assets to or assignment for the benefit of creditors, or commit any act of bankruptcy whatsoever, it shall be an event of default and the rent for the balance of the current term and unpaid charges and expenses shall at once become due and payable, as if by the terms of this Lease it were all payable in advance and may be collected by distress or otherwise, and shall be paid in full from the proceedings of any such assignment, sale or bankruptcy proceedings, any law, usage or custom to the contrary notwithstanding. A change of Lessee's name is permitted if the legal entity is otherwise identical.
- B. Lessee shall not pledge, transfer, assign, encumber or grant lien rights, primary or subordinated, through any contract, lease, security agreement, promissory note, financing statement or other writing, either upon, to or against any City or Authority property whether it be real property, personal and business property, fixtures, equipment, liquor licenses, vehicles, intangibles and chattel paper. In the event Lessee commits a breach of the foregoing, it shall be an event of default and, upon the City's or the Authority's demand, Lessee immediately shall take all steps necessary and incur all expense needed to reverse the illegal transaction and restore the City's and Authority's unrestricted unencumbered rights to their property.

18. NON-WAIVER OF ENFORCEMENT

No statement, action or forbearance by the City (as an example, non or delayed enforcement in an attempt to amicably resolve a dispute or default) shall be considered a waiver, express or implied, of any of the rights, terms and conditions of this Lease and City's right to enforce any and all provisions.

19. SUBORDINATION TO CITY'S LEASE WITH BETHLEHEM AUTHORITY

This Lease is a sublease agreement. Lessee's rights to possession and use of the premises are subordinate to the City's rights under its lease of the premises with the Bethlehem Authority dated January 1, 1992 and First Supplemental Contract and Lease dated December 1, 1992. In the event City's lease with the Authority is terminated, this Lease shall be deemed concurrently terminated without recourse to Lessee, unless it is assumed or extended by written consent of the Authority. In the event the Authority deems the City in default because of any matter involving Illick's Mill, upon City's demand, Lessee shall do all that is necessary, if it is within the scope of its duties under this Lease, to cure such default.

20. WAIVER OF NOTICE TO QUIT

Lessee hereby waives any and all notices required by any act of assembly concerning notices to quit.

21. CONFESSION OF JUDGMENT

In the event of any default by Lessee hereunder, City may cause judgment to be entered against Lessee, and for that purpose, Lessee hereby authorizes and empowers City, or any Prothonotary, Clerk of Court, or attorney of any Court of record, to appear for Lessee and to confess judgment against Lessee for the amount of all rent and other sums due from Lessee hereunder as well as for interest on all overdue sums at the rate of ten percent (10%) per annum, costs of suit, and an attorney's commission of fifteen percent (15%) of the full amount of City's claim against Lessee. The authority to confess judgment granted herein shall not be exhausted by any one or more exercises thereof. Lessee agrees that this Lease or a true and correct copy thereof shall be sufficient authorization and warrant to confess judgment hereunder.

22. EJECTMENT

In the event of any default by Lessee hereunder, and termination of this Lease by City, or upon the expiration of this Lease, Lessor may cause judgment in ejectment to be entered against Lessee for possession of the leased premises, and for that purpose, Lessee does hereby authorize and empower City, or any Prothonotary, Clerk of Court or attorney of any Court of record to appear for Lessee and confess judgment against Lessee in ejectment for possession of the leased premises, and Lessee agrees that a Writ of Possession pursuant thereto may issue forthwith. Lessee further agrees that, if for any reason whatsoever after the commencement of said action, the same shall be terminated and possession of the

leased premises shall remain in or be restored to Lessee, City shall have the right, at any subsequent time when occasion shall arise, to cause the entry of successive judgments by confession in ejectment for possession of the leased premises.

Lessee agrees that this Lease or a true and correct copy thereof shall be sufficient authorization and warrant to confess judgment and for the issuance of a Writ of Possession pursuant thereto. Lessee hereby waives any and all notices required by any act of assembly concerning notices to quit.

23. INTERPRETATION

If Lessee for any reason, purpose or reply to the City, or upon any occasion, also including court proceedings, asserts that the Lease is vague or ambiguous in order to establish grounds to disagree with and avoid City's interpretation of Lessee's obligations, the parties agree that any asserted vagueness or ambiguity of terms or disagreement shall be resolved by interpretation in favor of the City. The provisions outlined herein shall not apply to section 4.F of this agreement.

24. NOTICES AND PLACE OF PAYMENT

C. Lessee hereby designates Lessee's notice address as 100 Illick's Mill Road, Bethlehem, Pennsylvania, 18017.

- A. This agreement shall not be authorized for signature by Mayor and Controller absent prior review and resolution by Bethlehem City Council.
- B. This Agreement shall be binding upon and afford its benefits to the parties hereto, their respective owners, partners, legal representatives, heirs, successors, executors and assigns.

26. ENTIRE AGREEMENT

This Lease contains the entire agreement between the parties and shall not be modified in any manner except by an instrument in writing executed by the parties. If any term or provision of this Lease or the application thereof, to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to the persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.
