

CITY OF BETHLEHEM
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: Water Treatment Plant Roof and Structural Evaluation

TO: City Council, all members, and Council Solicitor

FROM: Edward J. Boscola, PE, Director of Water and Sewer Resources

DATE: April 24, 2020

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

_____ The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

_____ The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

✓ The contract is for the engagement of professional services. We have received and reviewed proposals for professional services in connection with the above referenced project. We recommend award of the contract to D'Huy Engineering, Inc.

- Is the contract appropriation or price increase included in this year's budget? X yes ___no

2020 Water Capital Fund

- Identify contract funding sources (general fund, grants, loans, etc.....):

Account #007A-77057 WTP – Roof

- The name and address of the recommended Professional Service Provider are:

D'Huy Engineering, Inc.
One East Broad Street, Suite 310
Bethlehem, PA 18018

- Term of contract or estimated completion date, subject to standard extensions:

The contract shall run from the Notice to Proceed until September 30, 2020.

- Description of project or scope of services to be provided:

Engineering services to evaluate water intrusion issues on the roof and other structural elements at the Water Treatment Plant. Areas of concern include the roof, exterior precast wall panels and interior concrete tanks and channels designed for water conveyance. Consultant will evaluate and document suspected causes for the water infiltration, and develop recommendations for corrective action along with contracting approach and proposed budget. Deliverable shall be a final report.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$14,700

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$14,700

- Reasons for recommendation of Administration and Council approval of contract:

D'Huy was selected due to price, experience with similar projects, familiarity with the site, and professional recommendations.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
