

CITY OF BETHLEHEM
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: Entech Engineering, Inc. -
Wastewater Treatment Plant Air Quality Permit Renewal

TO: City Council, all members, and Council Solicitor

FROM: Edward J. Boscola, PE, Director of Water and Sewer Resources

DATE: December 30, 2020

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

The contract is for the engagement of professional services. We have received and reviewed a proposal for professional services in connection with above referenced project. We recommend award of the contract to Entech Engineering, Inc.

- Is the contract appropriation or price increase included in this year's budget? yes no

2021 Sewer Operating Fund – Professional Services

- Identify contract funding sources (general fund, grants, loans, etc.....):

Account #3003-42055

- The name and address of the recommended Professional Service Provider are:

Entech Engineering, Inc.
201 Penn Street
PO Box 32
Reading, PA 19603

- Term of contract or estimated completion date, subject to standard extensions:

The contract shall run through January 1, 2021 through December 31, 2021

- Description of project or scope of services to be provided:

Consultant shall provide engineering services to prepare an air quality state-only synthetic minor operating permit renewal application for the wastewater treatment plant. Permit renewal is required every 5 years.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$5,000.00

- Number of renewal term options and duration of each renewal, if any:

Two (2) additional yearly renewal options.

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$10,000.00

- Reasons for recommendation of Administration and Council approval of contract:

Entech Engineering has experience with air quality permits and has performed this service with prior permit applications for the City.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
