

CITY OF BETHLEHEM
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: 2021 29R WWTP West Influent Pump Room Upgrades HVAC Rebid – HVAC Construction

TO: City Council, all members, and Council Solicitor

FROM: Edward J. Boscola, P.E. – Director of Water & Sewer Resources

DATE: November 10, 2021

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

 X The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

 The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

 The contract is for the engagement of professional services. We have received a proposal for professional services in connection with above referenced project. We recommend award of the contract to:

- Is the contract appropriation or price increase included in this year's budget? X yes no
- Identify contract funding sources (general fund, grants, loans, etc.....):

Sewer Capital – 008A-88123

- The name and address of the recommended Professional Service Provider are:

Master Mechanical Corporation
3 Banks Avenue
McAdoo, PA 18237

- Term of contract or estimated completion date, subject to standard extensions:

270 days to Substantial Completion and 300 days to Final Completion from the date of the Notice to Proceed.

- Description of project or scope of services to be provided:

Contractor to supply labor and materials necessary to upgrade the West Influent Pump Room ventilation. Work includes installation of ductwork, fans, louvers, and all necessary incidental work to satisfactorily complete the HVAC construction project as outlined in the contract documents.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$85,100

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

N/A

- Reasons for recommendation of Administration and Council approval of contract:

This contract was re-bid as we received zero bids the first time around. 2 bids were received for the HVAC Construction re-bid, ranging in cost from \$85,100 to \$92,820. Master Mechanical Corporation was the lowest, most responsive and qualified bidder at their Base Bid of \$85,100. It is recommended a contract be awarded to Master Mechanical Corporation at their bid of \$85,100.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
