Bethlehem, PA 18018

---

The Board upon motion by Fred Bonsall and seconded by Joseph McGavin adopted the proposal that City Council issue a Certificate of Appropriateness for the removal of asphalt shingles on a porch roof and rear of the main gable roof, the reinstallation of ice breaks, and the replacement of the existing asphalt shingles with GAF Slateline Shingles in the Antique Slate color.

The vote was unanimous to approve the removal of asphalt shingles on a porch roof and rear of main gable roof, the reinstallation of ice breaks, and the replacement of the existing asphalt shingles with GAF Slateline Shingles in the Antique Slate color, as per the motion.

**Guideline Citation:** Secretary of Interior Standards No.(s)

#9 New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work shall be differentiated from the old and will be compatible with historic materials, features, size, scale and proportion, and massing to protect the integrity of the historic property and its environment.

#10 New additions and adjacent or related new construction will be undertaken in such manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
