2. The Citizens Christmas City Committee a pre-existing committee of the former Bethlehem Area Chamber of Commerce which merged with the BMC Christmas Committee in 2005. - Reasons for recommendation of Administration and Council approval of contract:

The Greater Lehigh Valley Chamber of Commerce has effectively managed and implemented marketing efforts for the various groups and sub-committees who are dedicated to the economic vitality of the Bethlehem business community for more than a decade.

The organization is poised to provide the professional services required and effectively maintains existing relationships with the various committees and complimentary organizations.

The Chamber has carried out the mission of promoting and marketing the City's downtown districts in a manner that has not only resulted in the strengthening of Bethlehem's urban core but at a cost that likely could not be matched had the city hired its own staff to do so.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
