RE: Multimodal Grant Submission – PA DCED
Broad Street Active Transportation Plan Implementation

Attached is a resolution for a PA DCED Multimodal grant for the implementation of the Broad Street Active Transportation Plan – Phase 1.

The proposed scope of work includes the development of the missing median in the block of Broad Street between Guetter and New Streets, extension of the median from Center to Penn Streets and intersection improvements at High, Maple and Elm Streets.

The entire project costs are approximately \$1.4 million dollars. The grant requires a 30% match that will come from CDBG funds, developer contributions and the existing funds available for street tree installation. The grant request amount is \$985,500.

Please include this resolution on your July 19 agenda for consideration. The grant submission deadline is July 31.

Please feel free to contact me if you need additional information.
