RE: Police Body Cameras
Date: July 26, 2022

The following transfer request will complete a 2018 contract with Motorola Solutions, Inc. for the purchase and support/maintenance subscription for our 120 police body cameras. The cameras are approaching end of life and the Police Department is investigating options for the next generation of cameras that will be introduced in late 2023 or 2024. Chief Kott is able to discuss the importance of, and future investment plans, of body cameras.
