On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

\_\_\_\_\_ The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

\_\_\_\_\_ The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

X  The contract is for the engagement of professional services. We have received a proposal for professional services in connection with above referenced project. We recommend award of the amendment to: D'Huy Engineering, Inc.

- Is the contract appropriation or price increase included in this year's budget?  X  yes \_\_\_no
- Identify contract funding sources (general fund, grants, loans, etc.....):

Sewer Capital – 008A-88127

- The name and address of the recommended Professional Service Provider are:

In July of 2022, the City entered into a contract with D'Huy Engineering for final design of renovations to the Main Control Building at the WWTP. The original scope of the contract did not include bidding and construction administration services. This Amendment is to add bidding and construction administration services as well as extend the time of completion to align with the anticipated bidding and construction schedule.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$115,800

- Number of renewal term options and duration of each renewal, if any:

None

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$115,800

- Reasons for recommendation of Administration and Council approval of contract:

It is recommended this amendment be awarded as D'Huy Engineering was the designer of the project and is most familiar with the design. D'Huy also has extensive knowledge of the plant and will be a valuable resource during construction.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
