- Check Type of Contract or Change:

 X The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

 The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

 The contract is for the engagement of professional services. We have received a proposal for professional services in connection with above referenced project. We recommend award of the contract to:

- The name and address of the recommended Professional Service Provider are:

CMG of Easton, Inc.
1280 Cedarville Road
Easton, PA 18042

- Term of contract or estimated completion date, subject to standard extensions:

360 days from the Notice to Proceed for Substantial completion and 420 days from the Notice to Proceed for Final Completion

- Description of project or scope of services to be provided:

The project consists of renovations to the existing laboratory, former process space, offices and lockers rooms at the WWTP.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$985,430

- Number of renewal term options and duration of each renewal, if any:

none

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

N/A

- Reasons for recommendation of Administration and Council approval of contract:

The project was publicly bid and three (3) bids were received for the General Construction Contract. After review of the bid, CMG of Easton, Inc. was found to be the most responsive in their bid, therefore it is recommended that an award be made to CMG of Easton, Inc. at their bid of \$958,430.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
