\$248,810

- Number of renewal term options and duration of each renewal, if any:

- Reasons for recommendation of Administration and Council approval of contract:

The project was publicly bid and two (2) bids were received for the Plumbing Construction Contract ranging in cost from \$248,810 to \$369,000. After review of the bids, Integrity Mechanical, Inc. was found to be the lowest responsive bidder, therefore it is recommended that an award be made to Integrity Mechanical, Inc. at their bid of \$248,810.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
