- Check Type of Contract or Change:

 X The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

 The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

 The contract is for the engagement of professional services. We have received a proposal for professional services in connection with above referenced project.

- Is the contract appropriation or price increase included in this year's budget? X yes no
- Identify contract funding sources (general fund, grants, loans, etc.):

0307-42047

- The name and address of the recommended Contractor/Professional Service Provider:

Cogle's Recycling, Inc.
1000 S. 4th Street
Harrisburg, PA 19526

- Term of contract or estimated completion date, subject to standard extensions:

Initial contract will be a forty-eight (48) month period with five (5) one-year renewals. Contract will commence May 1, 2024 and be in effect through April 30, 2028.

- Description of project or scope of services to be provided:

Transportation and Processing of Curbside Recycling Materials picked up from the Bethlehem Yard Waste Facility.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

- Number of renewal term options and duration of each renewal, if any:

Five (5) one-year renewals.

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$3,155,055.00 for five (5) years.

- Reasons for recommendation of Administration and Council approval of contract:

The Bureau of Recycling received four (4) bids for the transportation and processing of recyclables; Cogle's Recycling, Inc. was the lowest bidder. Based on the quality of work previously performed for the city, the qualifications, experience submitted, references, and pricing, Cogle's Recycling, Inc was found to be the most responsive, responsible and qualified bidder.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
