Re: RACP Council Resolution

---

The Redevelopment Assistance Capital Program (RACP) is a Commonwealth of Pennsylvania grant program for construction projects exceeding \$1 million in cost. To the benefit of the residents of the City of Bethlehem, many projects have received RACP grants throughout the years. Funded projects include the ArtsQuest Center, Historic Bethlehem Museums and Sites, the City parking facilities, Majestic Realty, the Goodman Building, and many others. The City is typically the pass through entity of these funds but no liability rests with the City for these grants or these projects. The projects are carefully monitored by the Commonwealth of Pennsylvania.

Attached is a resolution for consideration. The resolution is related to the “Second Floor Expansion at the National Museum of Industrial History (NMIH)”.

I respectfully request that this item be placed on an upcoming council agenda for consideration. In the meantime, I am available for any questions regarding this project.

**RESOLUTION NO. 2024-**
