

**CITY OF BETHLEHEM**  
**INTER-DEPARTMENTAL CORRESPONDENCE**

**SUBJECT:** Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: 2024 39 - 2 Million Gallon Drinking Water Reservoir Replacement – Engineering Services

**TO:** City Council, all members, and Council Solicitor

**FROM:** Edward J. Boscola, PE, Director of Water and Sewer Resources

**DATE:** August 12, 2024

---

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

\_\_\_\_\_ The contract is for over \$50,000 and required to be bid under the Third Class City Code. We have advertised the above referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

\_\_\_\_\_ The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third Class City Code.

  ✓   The contract is for the engagement of professional services.

- Is the contract appropriation or price increase included in this year's budget?   ✓   yes       no

2024 Water Capital Budget

- Identify contract funding sources (general fund, grants, loans, etc.....):

Account #007A-770998

- The name and address of the recommended Professional Service Provider are:

Herbert, Rowland & Grubic, Inc.  
1275 Glenlivet Drive Suite 145  
Allentown, PA 18106

- Term of contract or estimated completion date, subject to standard extensions:

The contract shall run from Notice to Proceed until September 30, 2026

- Description of project or scope of services to be provided:

Engineering consultant shall provide design, permitting, land development, bidding, and construction administration services to replace the 100 year-old 2 million gallon drinking water reservoir located on south mountain in Lower Saucon Township. Funding for the project provided in part by a H2O PA Grant.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

\$229,000

- Number of renewal term options and duration of each renewal, if any:

None.

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

\$229,000

- Reasons for recommendation of Administration and Council approval of contract:

- Six proposals were received from reputable engineering firms with experience in tank design. HRG was selected based on fee, experience, interview, and project approach.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
