RE: Resolution for PA Department of Community and Economic Development
Multimodal Transportation Fund – Guetter Street Sidewalks and ADA Ramps

Attached is a resolution in support of our application for the Multimodal Transportation Fund through the PA Department of Community and Economic Development. The grant request will be for between \$100,000 - \$3 million, as allowed by the grant guidelines. The request will include funds to improve the sidewalks on Guetter Street, in front of the Transportation Center, repair of the roadway, and update the ADA ramps. This work will be completed in collaboration with the Bethlehem Parking Authority and LANTA, which already installed new awnings and bus shelters at this location.

Please place this resolution on the July 15 City Council agenda for review and consideration.

Feel free to contact me prior to the meeting if you need additional information.
