PRESS RELEASE

March 18, 2020

Addition of Temporary 15 Minute Pick-Up Designated Parking Spaces

To support businesses offering walk in services during this difficult time, Mayor Bob Donchez, in partnership with the Bethlehem Parking Authority, is announcing the addition of 15-minute max parking spaces that will supplement existing pickup locations within the city. This program will begin today 3/18/2020 and will run through 3/30/2020 and will be extended if necessary.

The Bethlehem Parking Authority will be installing meter bags and signage designating 15-minute max pickup parking spaces to make it easier for customers to pick up orders or for delivery drivers to receive and deliver orders for local businesses.

There will be a maximum of two pickup parking spaces per city block. These spaces will be shared by all surrounding businesses and there will be no charge for this temporary pick up area. The 15-minutes will be strictly enforced. All other parking meters are operational and enforced.

Any business with questions on how to be added to this program, please email info@bethpark.org or call 610-865-7123. It may take 1-2 business days to respond/install.
