### Bethlehem Health Bureau Announces Additional COVID-19 Vaccine Clinics

The Bethlehem Health Bureau has scheduled additional COVID-19 vaccine clinics through the month of January. These clinics are open to health care providers in the 1A priority group, as defined by the CDC and Pennsylvania Department of Health, in the City of Bethlehem and Northampton County. Health care providers in this group include licensed medical professionals and care staff as well as home health agency staff. To schedule an appointment for one of the upcoming clinics, please click on the registration link for the clinic you plan to attend.

The dates and registration links for the upcoming clinics are as follows:

The Bethlehem Health Bureau is expected to receive vaccine shipments on a weekly basis. Following the distribution to the priority 1A group, the health bureau will provide vaccines to additional groups, including first responders and essential workers. Timing of the vaccine for the general public is not yet known at this time. The Bethlehem Health Bureau will continue to provide updates as to when the vaccine will be made available to additional groups.
