

Time as a Public Health Control (4 Hours) Log

Instructions: A food employee will record the date and food item being held with Time as a Public Health Control (TPHC). The time the item is taken out of temperature control will be indicated as well as the end time. The food item held must not exceed 4 hours in room temperature. The employee will initial the entry and be verified by a manager.

Date	Food Item	Start Time	End Time	Served or Discarded?		Employee Initials/ Verified By
