

Time as a Public Health Control (6 Hours) Log

Instructions: A food employee will record the date and food item being held with Time as a Public Health Control (TPHC). The time the item is taken out of temperature control will be indicated as well as the end time. **With an ambient air temperature of 70°F or below, the food item held must not exceed 6 hours.** The employee will initial the entry and be verified by a manager.
