**NOTICE: If the Decision of the Zoning Hearing Board is appealed, the appellant is responsible for the cost of the transcript.**

Applicant requests the requested relief because placing the sign at the required location would place the sign in front of the second floor windows which would obscure the view from the second floor windows and would not be aesthetically pleasing.

The bottom of the sign would exceed the required zoning regulation by one foot. The top of the sign would exceed the zoning requirements by 4.5 feet.

The size of the sign is shown on the attached Plan.

The proposed relief is consistent with relief previously granted for other signs in the area.
