We hereby propose to furnish all the materials and perform all the labor necessary for the completion of the following:

- * Re-roof 2 sections of your home, both sections will have work done on rafters to straighten out roof & will be charged time and material. We will ask if framing exceeds \$4,000.00. One section in rear will be done in standing seam metal (charcoal gray) with snow guards. On the front slope we will remove and dispose of the slateline shingles. We will install natural wood decking and 24x12 Spanish slates. We will the flash wall on tower and install copper on valley and install snow guards.
- * Remove chimney, install wood decking and slate over hole, install ridge and part of valley.
- * Coat to seal remaining valleys around home.
- * Replace 1 copper vent sleeve and repair up to 40 slates.
- * Install new flat seamed copper roofing above front door, on tower roof and dormer.
- * Install new copper gutter on front upper slope with leaf relief.
- * Install scaffolding around home as needed to provide a safe work platform.

Any unsound decking will be replaced at an additional cost of \$10.00 per linear foot for 3/4" board, \$110.00 per sheet of 1/2" plywood or \$130.00 per sheet of 3/4" plywood. All material is guaranteed to be as specified. Any alteration or deviation from above specifications involving extra costs will become an extra change over and above the quote. All work to be completed in a workmanlike manner according to standard practices for the sum of: **\$69,233.42**

Payment Requirements: A one-third deposit of **\$20,000.00** is required along with Buyer signature(s) below
