PRINT PRODUCT SHEET

FRENCH QUARTER®
RODIN W TOP & BOTTOM FINIALS
FQLTLB-RD
Starting at \$925.00

The Original French Quarter® lantern with a large wrought iron scroll bracket creates a stunning profile that is often used near archways and more formal architectural elements within the architecture. With the addition of the London top and bottom finials, it will add an element of dressiness and verticality to the space. This light works very well in succession on wide buildings or on entries. The French Quarter® with Rodin bracket is available in natural gas, liquid propane, and electric.

Standard Lantern Sizes

Height	Width	Depth
32.0"	10.5"	10.5"
37.0"	11.5"	11.5"
41.0"	13.3"	13.3"
