

ALL-WEATHER CANOPIES. AND WE MEAN ALL-WEATHER.

The Super Lumideck canopy is an all-extruded, pre-engineered canopy designed for high-load architectural applications. The square, corrugated deck provides long-term strength and durability. A variety of different fascia profiles and attachment methods deliver the ultimate in design versatility, while keeping installation simple and straight forward. Compared to the alternatives, Mapes aluminum, non-rusting finish and high-quality extruded materials offer superior longevity, while meeting all local code requirements for snow and wind loads.
