

CITY OF BETHLEHEM
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: Request for Approval by City Council of Contract Award or Contract Price Increase Pursuant to City Ordinance, Article 121.05 (a)

Project or Contract Reference: 2026 18 EC Final Clarifier Sludge Return Piping Modifications Construction

TO: City Council, all members, and Council Solicitor

FROM: Edward J. Boscola, P.E.
Director of Water & Sewer Resources

DATE: July 27, 2026

On behalf of the Administration, pursuant to City Ordinances, Article 121.05, I request City Council's approval of the following recommendation of the referenced contract award or price increase.

- Check Type of Contract or Change:

 X The contract is for over \$50,000 and required to be bid under the Third-Class City Code. We have advertised the above-referenced project and received qualified bids. We recommend award of the contract to the bidder identified and for the reasons stated below.

 The recommendation is for a price increase of 10% or more for an existing contract over \$50,000 that was previously bid and awarded under the Third-Class City Code.

 The contract is for the engagement of professional services. We have received a proposal for professional services in connection with above referenced project.

- Is the contract appropriation or price increase included in this year's budget? X yes no
- Identify contract funding sources (general fund, grants, loans, etc.....):

Sewer Capital Fund – Account # 008A-88159

- The name and address of the recommended Contractor/Professional Service Provider:

*Brendan Stanton, Inc. (dba BSI Electrical Contractors)
416 Stump Road
Montgomeryville, PA 18018*

- Term of contract or estimated completion date, subject to standard extensions:

Substantial Completion – January 29, 2027 (est.) | Final Completion – February 12, 2027 (est.)

- Description of project or scope of services to be provided:

Complete all electrical construction work items for the Final Clarifier Sludge Return Piping Modifications Construction Project to wire the owner furnished sludge pump and replace existing final sludge pump drivers with new soft starters.

- State the actual or estimated price to the City or the proposed Department budget allowance for the initial term; and state payment rate per unit of service if applicable:

Bid Contract Amount - \$74,063.00

- Number of renewal term options and duration of each renewal, if any:

N/A

- Maximum dollar value of all renewals provided for beyond the original term as if all renewals were exercised:

N/A

- Reasons for recommendation of Administration and Council approval of contract:

This work will facilitate the sludge piping modifications being performed under the general construction contract of the same name. Brendan Stanton, Inc. was determined to be the lowest responsible bidder and has satisfactorily performed recent work at the City wastewater plant including on the Feeder Cable/Breaker Replacement and Chemically Enhanced Primary Settling projects.

Please approve this recommendation by passing the accompanying resolution. A vote of final approval is requested at the first City Council agenda listing of this matter.
