CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Consolidated Annual Performance and Evaluation Report (CAPER) is a report required by the U.S. Department of Housing and Urban Development (HUD) to identify and provide progress in carrying out the City of Bethlehem's priorities and objectives through federal funds. The CAPER's priorities are a reflection of accomplishments for the Fiscal Year (FY) 2021. The City operates on a calendar year, which begins January 1, 2021 and ends December 31, 2021. This is the second year-end report of the 2020-2024 Consolidated Plan.

Despite the unprecedented impacts of the Coronavirus 2019 (COVID-19) pandemic, the City of Bethlehem has made great strides in achieving its goals and priorities as listed in the FY 2021 Annual Action Plan. The City and its subrecipients have been actively implementing projects funded through CDBG and HOME funds. The units of accomplishment listed below are taken from the accomplishments reported by our subrecipients and input in IDIS for each activity. The City will continue to look for creative methods to provide needed services to its residents while taking into consideration the goals outlined in the Consolidated Plan.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City of Bethlehem has received \$1,371,454 in CDBG funds and \$388,033 in HOME funds for the Fiscal Year 2021. These federal funds were

used to address the following objectives identified in the Consolidated Plan:

- Create and Preserve Affordable Rental Housing
- Preserve Owner-Occupied Housing
- Address Impediments to Fair Housing Choice
- Support High Quality Public Services
- Enhance Homeownership Opportunities
- Support Homeless Housing and Services
- Improve Public Facilities and Infrastructure
- Create and Preserve Local Jobs and
- CDBG/HOME Program Administration.

Of the CDBG funds received, \$114,000 was allocated towards public service agencies and public assistance to provide high quality service to the residents of Bethlehem. The following programs were funded: Project SUCCESS, Faith In Action, TechGYRLS; Substance Abuse Counseling. These programs provide substance abuse counseling for students and adults; independent living services for seniors; Science, Technology, Engineering, and Mathematics (STEM) enrichment to girls.

Due to the long-lasting impacts of COVID-19, some proposed activities were disrupted from providing services to their full extent due to state and federal health restrictions. For instance, YWCA Bethlehem prepared to return to Bethlehem Area School District for in-person instruction during the first quarter of 2021. The City of Bethlehem collaborated with public service agencies to provide quality services to its residents despite the spread of an infectious disease.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG	HOME
White	22	3
Black or African American	1	5
Asian	0	0
American Indian or American Native	2	0
Native Hawaiian or Other Pacific Islander	0	0
Total	25	8
Hispanic	7	0
Not Hispanic	18	0

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The City serviced 25 families with CDBG funds through its Housing Rehabilitation Program and 8 families through HOME funds. The diversity reflected in the demographics of CDBG/HOME beneficiaries very closely mirrors The City of Bethlehem's population as a whole. Fifty-six percent of the 2021 beneficiaries were White compared to 62% of the City's population that is White according to the 2020 Census. Four percent of beneficiaries were African American compared to 9% of the City's population that is African American. The various other and multi-racial categories comprised 40% of beneficiaries and 29% of the City population. Hispanic residents made up 21% of beneficiaries and 29% of the total population.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	1,391,664	597,273
HOME	public - federal	388,033	159,858

Table 3 - Resources Made Available

Narrative

The City of Bethlehem is an entitlement jurisdiction and is a recipient of Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds. In FY 2021, the City received \$1,371,454 in CDBG funds and \$388,033 in HOME funds. In addition to these funds, the City has drawn \$864,970 CARES funds to date. The City has not spent any American Rescue Plan funds. The City does not receive Emergency Solutions Grants (ESG) funds and does not report on ESG monies. Due to the impacts of COVID-19, the City and its funded agencies prioritized the health and safety of its residents. The City provided high quality services while preserving the health of its residents. The City will continue to look for collaborative and creative methods of providing services.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City of Bethlehem	90	100	

Table 4 – Identify the geographic distribution and location of investments

Narrative

The City of Bethlehem prioritizes programs that serve residents throughout the city boundaries of Bethlehem. CDBG and HOME funds were used to assist residents through housing and community development activities, which includes housing rehabilitation, and public services to benefit low- and moderate-income persons.

Additionally, the City has set aside funds for the Neighborhood Revitalization Strategy Area (NRSA). For the 2021 reporting year, the City has spent \$574,454.25 in NRSA funding. Two properties in 2021 were assisted with housing rehab totaling \$17,900.00. The City also used \$403.00 in CDBG funds in the support of 23 rental housing units as development incentives.

The Overlays Main Street and Union Boulevard Project has received HUD's NRSA designation, which allowed the full range of HUD-funded benefits to be focused in this area. The City used \$297,010.25 in CDBG funds for this project which involved the City's contractor repaving Main Street (Broad to Goep) and Union Boulevard (Old York Rd to Main). That is approximately 2,270 linear feet of road paving. The

Demographic Criteria required the NRSA's designated area be documented as primarily residential and contain a percentage of low- and moderate- income residents that is equal to the upper quartile percentage of the jurisdiction or 70%, whichever is less (but may not be less than 51%). The Northside NRSA has been developed in response to the 2011-2015 ACS data, and includes nine block groups that range from 39.86% to 67.88% low and moderate- income, with an average of 54.83%.

The City spent \$26,510.00 of their CDBG-CV funds on their New Bethany Ministries Rental subsidies-Eviction Prevention Program. Sixty-eight families received direct eviction prevention assistance payments. Additionally, for economic development, the City spent \$72,000.00 of CDBG-CV funds on 19 business assistance grants in 2021.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City not only utilized federal funds, such as CDBG and HOME grants, but also ensured that public service agencies matched with state and local funding. In addition to the planned spending for NRSA activities, the City invested \$50,000 for Neighborhood Branding (which includes rebranding, logo, and promotional materials) and the Friendship Park Redesign (which includes recreation facilities improvements) for the Northside 2027 Neighborhood. Additionally, the City spent \$110,631.00 on their NS2027 Tree Beautification Project.

Additionally, the Bethlehem Housing Authority provides Section 8 vouchers for a total of 1,454 units at 11 different locations. In 2019, a Public Housing Assessment System (PHAS) score report indicated the Bethlehem Housing Authority to be a Standard Performer.

Lastly, the City provided a 25% match as required by HUD regulations for HOME funds.

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal fiscal year	2,070,074
2. Match contributed during current Federal fiscal year	0
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	2,070,074
4. Match liability for current Federal fiscal year	3,495
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	2,066,579

Table 5 – Fiscal Year Summary - HOME Match Report

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	185	3
Number of Special-Needs households to be provided affordable housing units	110	0
Total	295	3

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	8	0
Number of households supported through The Production of New Units	5	0
Number of households supported through Rehab of Existing Units	110	25
Number of households supported through Acquisition of Existing Units	1	0
Total	124	25

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The City prioritized improving the existing housing stock throughout the City and the Northside 2027 Neighborhood by providing housing rehabilitation, as well as acquisition and resale of homes for low- and moderate-income residents. Due to the pandemic, affordable housing production was greatly affected. Both contractors and homeowners were reluctant due to fear of contracting and spreading COVID. Availability of cost estimators and inspectors was also limited.

Discuss how these outcomes will impact future annual action plans.

The City is aware of rising housing costs in the community. The City continues to fund its housing and economic development programs, which help low-income households cope with these rising costs. The City of Bethlehem will continue to ensure its public policies are not discriminatory and consider policies in light of their impacts on housing affordability. The City identified the importance of affordable housing through the Consolidated Plan where stakeholder and community feedback stated that the supply of affordable housing is not currently meeting the demand. Although there were moments of inactivity due to COVID, the City still provided services, such as housing rehabilitation, to its residents. The City will continue to assess the current health environment and prioritize the needs of its community to maintain an affordable housing stock as identified in the 2020-2024 ConPlan.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	6	0
Low-income	8	7
Moderate-income	11	1
Total	25	8

Table 13 – Number of Households Served

Narrative Information

Through CDBG funds, the City served a total of 25 households, of which 6 were extremely low-income, 8 were low-income, and 11 were moderate-income. The City ensures to provide assistance to all residents, while being in compliance with HUD regulations of serving Low/Moderate Income (LMI) households. Most of the activities involved housing rehabilitation (either owner-occupied or rental), first-time homebuyer assistance, and tenant-based rental assistance.

Through HOME funds, the City served a total of 8 households, of which 7 were low-income and 1 was moderate-income.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City continues to participate in and support regional efforts to contact and serve the homeless and at-risk populations. The City did not directly engage unsheltered homeless. However, advocates and organizations that promote homeless housing and homelessness prevention were well represented during the City's public virtual meeting to assess community needs during the COVID-19 pandemic. Additionally, the City collaborated with public service providers, such as the Bethlehem Emergency Shelter, Northampton County, and Lehigh County Homeless Assistance Programs (HAP) to assess housing needs for individuals experiencing homelessness.

Addressing the emergency shelter and transitional housing needs of homeless persons

During the 2021 Program Year, the City allocated \$36,000 of its CDBG-CV (CARES Act) funding to assist an emergency shelter with costs associated with preventing the spread of COVID-19. The City also created the Affordable Housing Task Force in 2020 to evaluate the state of development and land use regulations related to affordable housing. The task force included elected officials, City staff, and nonprofit, banking, and real estate development stakeholders. Lastly, the City continues to work closely with the Bethlehem Emergency Shelter to assess options for a permanent shelter and supportive housing for individuals experiencing homelessness. In 2021, the Affordable Housing Task Force met to prepare task force recommendations to be presented to City Council. Major themes that came to light as a result of the final Affordable Housing Task Force meeting were:

- Collect Data at the Neighborhood Level
- New Development
- Refrain from Creating Concentrated Poverty
- Creating the Right Incentives
- Identify Targets Areas
- Create partnerships
- Comprehensive Solutions for Affordable Housing and
- Track Successes.

The City continues to collaborate with and participate in the County Homeless Assistance Program to assess the needs of individuals experiencing homelessness and strategize opportunities for permanent housing solutions.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City partnered with the following public service agencies to serve the vulnerable population:

- Representative Payee Program (\$35,000) – This program is administered by New Bethany Ministries. The program aims to combat homelessness by providing financial management services to individuals experiencing homelessness or formerly experiencing homelessness.
- PLACE (\$35,000) – Lehigh Valley Center for Independent Living locates housing for special needs residents and connects them to community services needed to achieve or maintain independent living.
- Owner-Occupied Housing Rehabilitation Program – The City of Bethlehem administers this Program, which assists low- and moderate-income residents to keep their homes and avoid homelessness through full home repairs, which include emergency and façade improvements.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City identified that Bethlehem individuals and families who cannot find affordable housing or are facing eviction are at risk of becoming chronically homeless. Thus, the City continued its partnership with the Pennsylvania Coalition Against Domestic Violence (PCADV), the National Alliance to End Homelessness, and the National Coalition for the Homeless to provide the necessary resources to this population.

Additionally, the City continued to support Turning Point of the Lehigh Valley in assisting victims of domestic violence to find permanent, safe housing, and Valley Youth House in assisting homeless children with permanent housing solutions.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City of Bethlehem does not own, manage, or fund public housing.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Bethlehem Housing Authority (BHA)'s Resident Advisory Board consists of representatives from each development and building. The Board meets at least three times a year to assist the BHA to prepare and update the Annual Plans. Resident Councils members, in all of BHA's buildings, are elected by the residents in a process overseen by BHA staff. Lastly, the City partners with various public service agencies, such as the Lehigh Valley Center, to provide information and opportunity for homeownership throughout Bethlehem.

None of these efforts included any CDBG funds from the City.

Actions taken to provide assistance to troubled PHAs

The Bethlehem Housing Authority is not a troubled PHA. BHA received a score of 89 for Fiscal Year 2019. This same score has been carried over during the COVID-19 Pandemic to 2020 and 2021 as allowed by HUD. The new score will likely be issued in 2022 after the end of Fiscal Year 2022.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City has continued to assess the need to remove negative effects of public policies. Through the Analysis of Impediments to Fair Housing Choice, the City identified barriers to housing choice and developed strategies to provide fair housing opportunities. Additionally, City staff are active on a Housing Steering Committee to address demographic shifts in housing costs, affordable housing, and location barriers to affordable housing for Bethlehem residents.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The City recognized that underserved individuals face challenges due to their low income and special conditions they face. This special needs population was more likely to face homelessness and the City provided a variety of services to serve the population as detailed below.

The City provided funding to the following projects to assist Underserved Needs:

- Lehigh Valley Fair Housing Project - Administered by North Penn Legal Services. This program coordinated fair housing training and outreach events, distributed fair housing materials, and worked on fair housing cases.
- Project SUCCESS - Administered by the Center for Humanistic Change. This program provided a mentoring program to middle school and high school students to prevent and reduce substance abuse. The program was available citywide and in the Northside 2027 Neighborhood Plan.
- PLACE - Administered by the Lehigh Valley Center for Independent Living. This program assisted residents with disabilities who may be at risk of homelessness to connect with housing options and services to achieve independence. The program was available citywide and in the Northside 2027 Neighborhood Plan.
- Faith In Action - Administered by ShareCare. This program assisted elderly and seniors who are disabled by providing caregiving assistance, transportation, and visitation to prevent isolation.
- TechGYRLS - Administered by the YWCA. This program provided Science, Technology, Engineering, and Math Enrichment to Bethlehem girl students between the ages of 9-13.
- Hogar CREA International of Pennsylvania, Inc. – This program provides housing and counseling services to people suffering with addiction within the Bethlehem community.

While some of these organizations were unable to meet their goals due to the spread of COVID-19, there were several that exceeded their goals for the 2021 Program Year. For example, Project SUCCESS mentored 275 students from the Northeast Middle School, which is 183% of their goal. Also, Faith In Action assisted 206 seniors and people with disabilities, over their 80 proposed, and 178 of those were

extremely low to low-moderate income persons. Finally, Hogar CREA provided support and therapies that assisted participants in establishing life skills, communication skills, educational skills, home management skills, and personal skills. Hogar CREA also provided peer to peer support for addiction recovery and exceeded its goal of 25 people assisted by assisting 31 people for the Program Year.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City partners with Northampton County and City of Easton to target and assess lead risks for low- and moderate-income households. The Healthy Homes Program provides the opportunity to identify lead-based paint hazards, provide education, and provide materials to help residents create and maintain a safe environment. The City also partnered with the Lead Hazard Control Program to provide abatement from such hazards.

Through the Residential Rehabilitation Program, the City provides housing repairs as well as lead-based paint abatements. The City's Healthy Homes Program provides a thorough, customized home visiting program. The process includes: a walk-through of the home, assessment documentation, education, and leave-behind materials to help residents create and maintain a healthy and safe environment. This program teamed with the Lead Hazard Control Program, provides needed lead assessment and abatement from the hazards that are central to lead poisoning. The Health Bureau and the Housing and Community Development Bureau work together to conduct lead abatement construction activities for income-eligible homeowners.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Poverty is a function of income, job training, and employment opportunities. When economic conditions result in layoffs and plant or facility closings, some workers leave and may not return upon economic recovery. These workers are considered to be dislocated or displaced from the economy. The City has faced significant economic dislocation since the closing of Bethlehem Steel in 2003. During 2021, the City pursued the continued redevelopment of the site, where significant job-producing re-uses have already taken root. Other plans for the site include possible conversion of an office building into condos and construction of retail space and other new housing construction.

The City has a comprehensive economic development program in support of the goals outlined by the Lehigh Valley Comprehensive Economic Development Strategy. Components of the economic development program include:

- Offering entrepreneurs and business owners technical assistance;
- Offering Local Economic Revitalization Tax Assistance (LERTA), a tax abatement program;
- Providing tax credits for certain specified Pennsylvania taxes; and
- Assisting with substantial land development projects, urban renewal, and improvements through the Lehigh Valley Regional Loan Pool.

The activities described above create job opportunities that help alleviate poverty in the community. The City continues to invest in job-creating activities with an emphasis on the hiring of low-income residents and to pursue economic development in all forms to increase the supply of higher-paying jobs available to residents.

In the award of contracts, the City continued to implement the Section 3 Plan, which promotes the utilization of firms owned by or employing low-income persons.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

During 2021, ongoing staff development, consultant input and community dialogue continued to strengthen the type of performance that saw the program successfully grow in recent years.

The Department of Community and Economic Development (DCED) also applied for and administers other funding sources, ensuring all resources are highly integrated and administered efficiently. The DCED is responsible for the following:

- Program management and oversight
- Inter Department/Agency Coordination
- Sub-recipient contract administration and monitoring
- Program evaluation
- Report preparation and submission
- Public education and participation
- Special project development
- Consolidated Plan and Annual Action Plan preparation, monitoring, and evaluation
- Housing programs
- Economic development programs and initiatives

Beyond City staff, the Community Development Program retained its strong relationships with other elements of the social safety net, including the governments of Lehigh and Northampton counties, the Bethlehem Housing Authority, and a network of non-profit organizations.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City recognizes the importance of partnership between the public, private, and social service agencies. The City has and will continue to communicate and foster interaction among the entities.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

For Fiscal Year 2021, the City took the following actions to ensure goals addressed in the Analysis of

Impediments of Fair Housing Choice were met:

Actions to be taken re: Disparities in Mortgage Lending:

Bethlehem joined other Lehigh Valley grantees in support of North Penn Legal Services, an organization that provides Fair Housing information and advocacy in the region. This support continued in the 2021 Program Year. While looking for ways to fund the recommended testing of lenders, North Penn Legal Services continued its public Fair Housing education efforts. A bus advertising campaign highlighted services provided and contact information for North Penn Legal Services. A Fair Housing Forum provided information about filing complaints on housing issues, including possible lending discrimination. The City actively supported these efforts with CDBG funds, and also created a link from the City website to the North Penn Legal Services website for Fair Housing information.

Actions taken re: Need for Increased Fair Housing Education:

The City continued to partner with the other Lehigh Valley grantees to support North Penn Legal Services' fair housing efforts and to plan improvements to North Penn's Lehigh Valley Fair Housing Project. These improvements center on reaching minority and disabled populations.

Actions taken re: Need for Increased Coordination Among Fair Housing Providers

The City takes part in the Lehigh Valley Fair Housing Advisory Committee with other entitlement communities and fair housing organizations in the region to plan Fair Housing Awareness Day and other campaigns.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Performance monitoring is an important component in the long-term success of the Community Development Program. The City, through its Department of Community and Economic Development (DCED), has developed standards and procedures for ensuring that the recipients of CDBG and HOME funds meet the purposes of the legislation and regulations.

DCED oversees the City's housing, community development, and economic development programs. DCED is responsible for all performance measurement activities. DCED has incorporated HUD's Performance Measurement standards into the process of awarding funds, allocating resources, and obtaining progress and completion reports.

DCED is responsible for overseeing the implementation of public improvement and facilities projects in targeted areas, implementing a housing rehabilitation program for low- and moderate-income homeowners and contracts with Rising Tide Community Loan Fund to administer economic development activities to assist businesses.

DCED's standards and procedures for monitoring are designed to ensure that:

- 1) Objectives of the Housing and Community Development Act and the National Affordable Housing Act are met;
- 2) Program activities are progressing in compliance with the specifications and schedule for each program;
- 3) Recipients are in compliance with other applicable laws, implementing regulations, etc.; and
- 4) The housing rehabilitation program is in conformance with current Housing Rehabilitation Guidelines, Section 504 Handicapped Accessibility, Section 106 Historic Preservation, Housing Quality Standards, Lead-Based Paint regulations and Displacement / Relocation regulations.

Action Plan activities were monitored through the use of checklists and forms to facilitate uniform monitoring.

Fiscal monitoring included review and approval of budgets, compliance with Grant Agreements,

approval of vouchers and reviews of fiscal reports and sub-recipient audits.

Monitoring of sub-recipients occurred through regular telephone and email contact, educational workshops, technical assistance, and virtual monitoring visits.

Minority Business Outreach - The City encourages participation by minority-owned businesses in CDBG-assisted activities. The City maintains records concerning the participation of minority-owned businesses to assess the results of its efforts and to complete the semiannual "Minority Business Enterprise Report" for HUD. Qualified minority contractors are encouraged to bid on properties participating in the Housing Rehabilitation Program.

Comprehensive Planning Requirements - To ensure compliance with the comprehensive planning requirements of the Consolidated Plan process, DCED reviews the process on an ongoing basis. The review ensures compliance with federal requirements concerning citizen participation and consistency of actions taken with those specified in the "Citizen Participation Plan." Records documenting actions taken are maintained for each program year.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

This Consolidated Annual Performance Evaluation Report was on public display to provide citizens with the opportunity to comment for 15 days, which began on March 28, 2022 and ended on April 11, 2022. A public notice was published on March 28, 2022 to notify citizens of the opportunity to review and comment on the CAPER. Interested individuals were able to review the report online at the City's website at: <https://www.bethlehem-pa.gov/Community-Economic-Development/Community-Development/CDBG-Home>.

All citizens were provided with reasonable notice and an opportunity to comment on the accomplishment report. Any comments received during the Public Review Period will be responded to and incorporated into the final CAPER.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The COVID-19 pandemic has forced the City and its partner agencies to pivot their services to respond to the health needs and economic fallout of the pandemic. Social distancing and limitations on gatherings have significantly changed the way services are offered and provided. The City anticipates making continual changes to the CDBG and HOME programs not only to address needs created by the pandemic but in the way that CDBG and HOME-funded projects are made available to the community.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

Due to the spread of the COVID-19 pandemic, HOME program inspections could not occur in order to protect the health and safety of residents and Staff for 2020. The City inspected the South Side Lofts (Units #107 and #201) on May 27, 2021. The Moravian House II (Unit #104) was inspected on May 20, 2021 and the Moravian House IV (Units #201, #202, #203, and #204) were inspected on May 20, 2021. No significant findings were reported.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

The City continues to implement affirmative marketing steps with a strong commitment to fair and equal access. However, the COVID-19 pandemic largely left the City's HOME program dormant during 2021. Therefore, the City does not have statistically significant data as evidence of its affirmative marketing efforts.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

The City used \$179,526.76 of HOME program income during 2021. The use of these funds can be found on the attached Program Income Report. Additionally, no HOME program income funds were recognized during 2021 and the above amount was recognized in prior periods. These funds were from an accumulation of loan payments from the City's first-time homebuyer program and its Housing Rehabilitation program as well as return of funds from the Parkview at Bethlehem project.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

The City continued to foster relationships and maintain affordable housing in Bethlehem through the following actions:

- Developed the Analysis of Impediments of Fair Housing Choice in 2019 to assess the current housing market and identify strategies to ensure fair housing.

- Continued partnership with Northampton County to reduce hazards of lead-based paint.
- Continued partnership with North Penn Legal Services to provide fair housing resources and education.

The City will continue to look for new collaborations and actions to maintain affordable housing for all residents.

CR-58 – Section 3

Identify the number of individuals assisted and the types of assistance provided

Total Labor Hours	CDBG	HOME	ESG	HOPWA	HTF
-------------------	------	------	-----	-------	-----

**NOTICE OF AVAILABILITY
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT FOR
PROGRAM YEAR 2021
CITY OF BETHLEHEM**

In accordance with Title for the National Affordable Housing Act of 1990, P.L. 101-624, and the regulations of 24 CFR Part 91.520, the City of Bethlehem hereby gives notice that it has completed its Consolidated Annual Performance and Evaluation Report for its Community Development Block Grant and HOME Investment Partnership Programs for the period covering January 1, 2021 through December 31, 2021. This report contains information including: 1) Summary of the resources and accomplishments, 2) Status of actions taken during the year to implement the goals outlined in the Consolidated Plan, and 3) Evaluation of the progress made during the year in addressing identified priority needs and objectives.

Interested citizens are invited to examine this report and comment on its contents prior to submission of the report to the U.S. Department of Housing and Urban Development. This report is available for review on the City's CD/CP/HOME webpage at <https://www.bethlehem-pa.gov/Community-Economic-Development/Community-Development/CD/CP/HOME>.

The report can be reviewed, by appointment only, in person in the lobby area of City Hall located at 10 East Church Street, Bethlehem, PA 18018 from 9:00 am to 4:00 pm weekdays beginning March 28, 2022 through April 11, 2022. Please call 610-419-1447 or email TGrass@bethlehem-pa.gov, to make an appointment.

Public comments will be accepted and can be addressed to Trevor Gross, Grants Specialist, at TGrass@bethlehem-pa.gov or 610-419-1447 and must be received before 4:30 pm on April 15, 2022.

The City intends to submit its report to the U.S. Department of Housing and Urban Development, on or about April 15, 2022.
J. William Reynolds, Mayor, City of Bethlehem
