

# STOREFRONT SIGN & FACADE DETAIL

DIMENSIONAL LETTERS & LOGO | ANODIZED BRONZE FINISH | WARM WHITE HALO LIGHTING

## SIDE/PROFILE VIEW

### Wall-Mounted Dimensional Letters & Logo Architectural Sign with Warm White Halo Lighting

**Material:** Aluminum (Alloy 514)  
**Finish/Color:** Medium Bronze Anodized (Brushed) Coating  
**Mounting Style:** Detachable Stud Mount  
**Lighting Style:** Halo Lighting  
*(diffused light projected toward building face to create a silhouette effect)*  
**Lighting Color:** Warm White (3000k)

### INSTALLATION METHOD

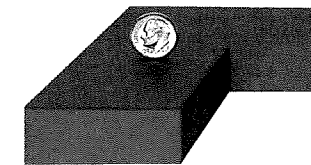

**Detachable Stud Mount**  
 Backs of letters and logos include hardware to receive threaded studs via drill and tap for mounting. We include a machined two-part boss to use with lit letters that creates a 1-1/2 inch stand-off.
