

CITY OF BETHLEHEM

DEPARTMENT OF PUBLIC WORKS INTEROFFICE MEMORANDUM

TO: Rachel Leon, City Council President
FROM: Michael Alkhal, P.E., Director of Public Works/City Engineer
RE: City Streets Cartway and Right-of-Way Widths
DATE: August 12, 2026

PennDOT previously required an ordinance establishing/confirming the legal cartway and right-of-way (ROW) widths of all City streets affected by the Linden Street Two-Way Conversion project and the Broad Street Corridor Improvement project. This ordinance contains updates on information on West Broad Street. Additionally, it is expected that the upcoming Center Street Two-Way Conversion project and Stefko Boulevard Corridor Improvements project will require a similar ordinance. A list of all the cartway and ROW widths for the associated streets has been prepared to satisfy the requirements for these projects. This list proposes no changes, and contains the same widths as are noted in the City's block and ward maps.

Please approve this recommendation by passing the accompanying ordinance. A vote of final approval is requested at City Council's earliest convenience.

BILL NO. ____-2026

ORDINANCE NO. 2026-_____

**AN ORDINANCE OF THE CITY OF BETHLEHEM,
COUNTIES OF LEHIGH AND NORTHAMPTON,
COMMONWEALTH OF PENNSYLVANIA, LISTING
CARTWAY AND RIGHT-OF-WAY WIDTHS FOR
CERTAIN CITY STREETS.**

WHEREAS, portions of the Streets listed herein, having been previously dedicated or conveyed to the City of Bethlehem for street purposes have been paved with a bituminous surfacing by the City of Bethlehem and opened for public use and travel; and

WHEREAS, a formal record of the cartway and right-of-way widths of the listed City Streets is required by the Pennsylvania Department of Transportation.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF BETHLEHEM HEREBY ORDAINS AS FOLLOWS:

SECTION 1. That the following portions of Streets situate within the City of Bethlehem, having been dedicated or conveyed to the City for street purposes and having been paved with a bituminous surface, have the following right-of-way and cartway widths, as established by the City's block and ward maps or ordinances, whichever is more up to date:
