## WHO WE ARE:

Community Action's Housing Counseling Program (HCP) provides families with a continuum of coordinated seminars and services in order to improve their ability to own and retain their own home and, in the process, build assets that can translate into family and community wealth.

We are a program of Community Action Lehigh Valley, an anti-poverty nonprofit that improves the quality of life by building a community in which all people have access to economic opportunity, the ability to pursue that opportunity, and a voice in the decisions that affect their lives.

### We offer programs and services in:

Advocacy, Business Start-Up and Development, Food Access and Nutrition, Housing, Neighborhood Revitalization, and Youth.
