541.01 OBEDIENCE TO SIGNALS.

Pedestrians shall be subject to signals that control vehicular traffic and, at such controlled intersections, shall cross the roadway on green signal only and within the crosswalks, except where "Walk" lights are in operation. At such intersections both right angle and diagonal crossings may be made when "Walk" light indicates "Walk." (Ord. 1769 §11. Passed 11/13/62.)
